

BRANCH MANAGER

The Credit Union currently has an exciting opportunity for an experienced and motivated professional to lead a team in one of our sales/service outlets.

The successful applicant will have extensive consumer finance experience, a genuine commitment to service excellence, a proven track record in meeting sales targets and experience in work organisation and supervising and motivating a team.

Key responsibilities include:

- Running the branch as an autonomous business unit including the direct management of all income and expenditure items
- Building relationships and adding value to our member base
- Achieving service excellence and maximising the performance of the branch
- Ensuring compliance and security requirements are met

To meet the demands of this challenging role you will be energetic, enthusiastic and gifted with the ability to lead your team to meeting the Credit Union's service and business growth objectives.
